Why Buy a FrameSaver® Door Frame?

Why ask for FrameSaver® frames in your doors? FrameSaver® Door Frames from Endura are simply the best door frames on the market. They are so dependable that they come with a lifetime transferable warranty that nobody can match. Our patented composite bottom won't absorb water, warp, crack or rot and finishes and paints just like wood. FrameSaver's® finger-jointed wood composite protects the base of the frame from moisture exposure, and thus prevents water from wicking into the wood. Rot never has a chance to begin. That's Performance Standard.
