**FOR IMMEDIATE RELEASE**

**IT'S NOT A DOOR WITHOUT ENDURA.™**

### **ENDURA PRODUCTS RELEASES NEW BRUSHED NICKEL FINISH FOR THE ULTIMATE ASTRAGAL**

Greensboro, NC – November 2006 –Endura presents the highly anticipated Brushed Nickel Ultimate Astragal, which provides yet another finish for those who value quality products and color options. The Brushed Nickel Astragal will maintain the same innovative 3-Point Sealing System which prevents water infiltration and will fully encapsulate the inactive door to provide a secure fit.

The New Brushed Nickel is added to the existing finishes of white, bronze, and stainable wood clad for Endura's Ultimate Astragal. Bronze flush bolt assembly and trim pieces will accompany this new color.

The Brushed Nickel finish is available for the non-thermal versions of the Ultimate Astragal family. This includes the Ultimate Astragal, Ultimate Astragal Lite, Ultimate Hurricane Astragal and the multi-point W&F and Hoppe Astragals.

#### **About Endura Products, Inc.**

Endura Products, Inc. manufactures entry door component systems that improve door construction, door installation and long-term performance in the home. Endura components improve functionality, maximize the seal between the door and the opening, and reduce air.
