

ULTIMATE HURRICANE ASTRAGAL

EASY OPERATION. HURRICANE-RATED PERFORMANCE.

The Ultimate Hurricane Astragal delivers the performance and protection needed in severe weather conditions. With its reinforced design and strengthened components, Ultimate Hurricane delivers enhanced sealing power and built-in security in a solution that operates with the simple push of a button.

- ▶ **Hurricane-Rated Protection:** Meets structural performance needs in high-velocity wind zones.
- ▶ **24" Glass-filled Nylon Bolts:** Deliver additional strength, automatically securing the inactive door with a push of a button. No extra locking steps necessary.
- ▶ **Added Strike Support & Reinforced Installation:** For enhanced strength and protection.
- ▶ **Extended Sealing Power:** Spring-loaded Floating Boot, Simple Solution® Corner Pad and weatherstrip get an added boost with a full-length Sealing Fin for an extra layer of protection against air and water infiltration.
- ▶ **Dual-Push Operation:** Each Spring-loaded Bolt automatically engages with the simple push of a button and conveniently retracts with one easy motion.
- ▶ **4-Way Adjustable Strike Retainer**

ULTIMATE HURRICANE ASTRAGAL

HOW DOES IT WORK?

PUSH BUTTON TO ENGAGE.

Each Spring-loaded Bolt is activated with an easy push of a button. The Spring-loaded Floating Boot securely seals, independently of the bolt, against the sill fighting air and water infiltration, even in imperfect conditions.

RETRACT WITH ONE EASY MOTION.

Each Spring-loaded Bolt retracts with one easy motion and the Spring-loaded Floating Boot lifts clear of the sill preventing wear and damage for problem-free use of the inactive door.

SPECIFICATIONS OVERVIEW

FEATURES	AVAILABILITY & OPTIONS
✓ Spring-Loaded Floating Boot	✓ Thermal and Non-Thermal Bodies
✓ Stronger Bolts & Reinforced Construction	✓ Compatible with 1-11/16" Door Panels
✓ 24" Flush Bolt	✓ Optional Security Flange for Outswing Applications
